The Old Songs of Skye Ethel Bassin
2015-12-22 Originally published in 1977. Frances Tolmie (1840-1926) was one of the foremost Gaelic folklore and folksong experts. This account of her life and work places her unique contribution to human song against a full personal, historical and cultural background. The book includes a selection of the songs she heard and wrote down, together with the part they played in her life and that of her circle and the larger community. Moving in a variety of circles, Frances Tolmie experienced the warm domesticity of an enlightened Skye manse, the cultural bustle of upper middle-class Edinburgh 'entrepreneurs', the romantic serious-mindedness of the first Cambridge women students, the sensitive nature-loving community round Ruskin at Coniston, and spent her later sociable years back in Scotland. This book, with its historical introduction by Flora MacLeod and musical introduction by

Frank Howes along with Ethel Bassin's own detailed introduction, reflects her profound study of the song and folklore of her people, and describes how she recorded a precious part of British traditional culture, catching it alive and sharing it as truly as possible.

Blue Rage, Black Redemption Stanley Tookie Williams 2007-11-13 A gripping tale of personal revolution by a man who went from Crips co-founder to Nobel Peace Prize nominee, author, and antigang activist When his L.A. neighborhood was threatened by gangbangers, Stanley Tookie Williams and a friend formed the Crips, but what began as protection became worse than the original gangs. From deadly street fights with their rivals to drive-by shootings and stealing cars, the Crips' influence -- and Tookie's reputation -- began to spread across L.A. Soon he was regularly under police surveillance, and, as a result, was arrested often, though always released because the charges did not stick. But in 1981, Tookie was convicted of murdering four people and was sent to death row at San Quentin in Marin County,

California. Tookie maintained his innocence and began to work in earnest to prevent others from following his path. Whether he was creating nationwide peace protocols, discouraging adolescents from joining gangs, or writing books, Tookie worked tirelessly for the rest of his life to end gang violence. Even after his death, his legacy continues, supported by such individuals as Archbishop Desmond Tutu, Snoop Dogg, Jesse Jackson, and many more. This posthumous edition of *Blue Rage, Black Redemption* features a foreword by Tavis Smiley and an epilogue by Barbara Becnel, which details not only the influence of Tookie's activism but also her eyewitness account of his December 2005 execution, and the inquest that followed. By turns frightening and enlightening, *Blue Rage, Black Redemption* is a testament to the strength of the human spirit and an invaluable lesson in how rage can be turned into redemption.

The Animal That Therefore I Am

Jacques Derrida 2009-08-25 The translated, complete text of Derrida's 1997 ten-hour address, "The Autobiographical Animal," focusing on the industrialized treatment of animals. *The Animal That Therefore I Am* is at once an affectionate look back over the multiple roles played by animals in Derrida's work and a profound philosophical investigation and critique of the relegation of animal life that takes place as a result of the distinction dating from Descartes between man as thinking animal and every other living species. That starts with the very

fact of the line of separation drawn between the human and the millions of other species that are reduced to a single "the animal." Derrida finds that distinction, or versions of it, surfacing in thinkers as far apart as Descartes, Kant, Heidegger, Lacan, and Levinas, and he dedicates extended analyses to the question in the work of each of them. The book's autobiographical theme intersects with its philosophical analysis through the figures of looking and nakedness, staged in terms of Derrida's experience when his cat follows him into the bathroom in the morning. In a classic deconstructive reversal, Derrida asks what this animal sees and thinks when it sees this naked man. Yet the experiences of nakedness and shame also lead all the way back into the mythologies of "man's dominion over the beasts" and trace a history of how man has systematically displaced onto the animal his own failings or *bêtises*. *The Animal That Therefore I Am* is at times a militant plea and indictment regarding, especially, the modern industrialized treatment of animals. However, Derrida cannot subscribe to a simplistic version of animal rights that fails to follow through, in all its implications, the questions and definitions of "life" to which he returned in much of his later work. Until We Reach Home Lynn Austin 2008-10-01 Life in Sweden feels like an endless winter to Elin Carlson after the deaths of her parents. When circumstances become unbearable, she determines to find a safe haven for her sisters. So begins their journey to America . . . the land of dreams and second chances. But as hardship becomes their constant companion, Elin, Kirsten, and Sofia question their decision to immigrate to Chicago. Will their hopes for the future ever be realized? ONLY IN CROSSING A SEEMINGLY ENDLESS OCEAN

The Book of Strange New Things Michel Faber 2014-10-28 A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal* and *the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing,

and replete with emotional complexity and genuine pathos.

Tor Classics Collection: Jules Verne

Jules Verne 2018-06-12 This discounted ebundle of Jules Verne novels includes: *Journey to the Center of the Earth*, *20,000 Leagues Under the Sea*, *Around the World in Eighty Days* "The reason Verne is still read by millions today is simply that he was one of the best storytellers who ever lived." -- Arthur C. Clarke *Journey to the Center of the Earth*: A group of scientist lead by professor Otto Lidenbrock discover an ancient message and must learn the truth. Their adventures lead them down the cone of an arctic volcano and into... a realm of awesome mystery, weird beauty--and deadly peril. Where vast caverns and endless mazes lead to an underground ocean, living fire, and prehistoric monsters, and more. *20,000 Leagues Under the Sea*: This

classic adventure follows Captain Nemo on his quest for knowledge and revenge, as told by the men he takes prisoner aboard his impossible vessel, the Nautilus. Around the World in Eighty Days tells the story of Phileas Fogg, a wealthy, solitary man with regular habits, who fires his former butler for getting wrong the temperature of his shaving water. He hires Passepartout as a replacement. Later that day he gets involved in an argument over an article in the Daily Telegraph, stating that with the opening of a new railway in India, it is now possible to travel around the world in eighty days. The exciting, adventure of Fogg and Passepartout will entertain modern readers as much as it did the Victorians. All editions are complete and unabridged, and feature Introductions and Afterwords. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Making Sense of Incentives Timothy J. Bartik 2019-10-15 Bartik provides a clear and concise overview of how state and local governments employ economic development incentives in order to lure companies to set up shop—and provide new jobs—in needy local labor markets. He shows that many such incentive offers are wasteful and he provides guidance, based on decades of research, on how to improve these programs.

Democracy and Education John Dewey 1916 John Dewey's *Democracy and Education* addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self

and society. First published in 1916, *Democracy and Education* is regarded as the seminal work on public education by one of the most important scholars of the century.

The Art Of Seduction Robert Greene 2010-09-03 Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies*

Of War.
