We allow A Witches 10 Commandments Magickal Guidelines For Everyday Life and numerous book collections from fictions to scientific research in any way. accompanied by them is this A Witches 10 Commandments Magickal Guidelines For Everyday Life that can be your partner.

Grimoires Owen Davies 2010-09-23 What is a grimoire? The word has a familiar ring to many people, particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed. But few people are sure exactly what it means. Put simply, grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia. At their most benign, they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil. But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and, worst of all, to call up and make a pact with the Devil. Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day. But the grimoire represents much more than just magic. To understand the history of grimoires is to understand the spread of Christianity, the development of early science, the cultural influence of the print revolution, the growth of literacy, the impact of colonialism, and the expansion of western cultures across the oceans. As this book richly demonstrates, the history of grimoires illuminates many of the

most important developments in European history over the last two thousand years.

[The Book of Dark and Light Shadows](#)
Dawn Flowers 2020-02-22 The Book of Dark and Light Shadows covers various aspects of Magic, Witchcraft, Wicca, Voodoo, Hoodoo, Santeria, and other modern Pagan religions, with easy to understand instructions, spells, and diagrams. Below are a just a few of the subjects addressed within its pages, which will help provide a spiritual foundation for newcomers seeking growth and fulfillment through a Pagan path: The Wiccan Rede Amulets, Charms, and Talismans Poppets and Voodoo Dolls Herbs, Oils, Candles, Incense, Stones, and other components Ceremonial Magick Holidays and Moon Phases Basic Rune Divination (old school) Money Spells and Love Spells Healing Spells and Protection Spells Bindings and Banishings The Book of Dark and Light Shadows was originally published as a beginner's guide, for readers to create their own book of shadows. This paperback edition contains additional blank-

lined pages for readers to insert their own Magical notations. Grab the Kindle edition for free with the Matchbook program for spells on the go!

The Book of Witches Margaret Fisher 2015-06-05 Megan Conroy thinks she has problems; she's struggling to pass math and with only one year of high school left she still has no idea what she wants to do with her life. She certainly never thought she'd become a witch. A near miss from a speeding car triggers an inexplicable rush of power within her, leading to strange, recurring dreams and encounters with even stranger creatures. After being saved from a demon by her classmate Finn, she finally starts getting some answers. Meg, he explains, is now an awakened witch; a person whose dormant magic has been brought out by trauma. Real witches, she learns, are nothing like the broomstick-riding figures she's used to from movies. The descendants of an ancient tribe who made an alliance with the Fae, Witani are born with magic and have the ability to see the spirits who oversee the natural world. She receives another shock looking through study abroad brochures when she finds a picture of the same standing stone from her dreams. This prompts her to choose Scotland as her destination, where the stone is located. As she's drawn ever deeper into the secret world of magic and Fae, she wrestles with the dilemma of whether or not to tell her parents about her new life. But it's not long before she has far more to worry about. Her arrival in Scotland sets a series of events in motion that will change her forever; bringing with it new friends, love, and danger.

The Craft Dorothy Morrison 2001 Beginning with the basics of the Wiccan religion and its practices, this book contains everything needed for successful witchery, including mental theory, magickal theory, and practical training exercises.

The Magic Seven Lida Abbie Churchill 1901

The Only Book of Wiccan Spells You'll Ever Need Marian Singer 2012-08-18 Master the fundamentals of spellcraft

Written by noted Wiccan authorities Marian Singer, Trish MacGregor, and Skye Alexander, this collection of spells is perfect for understanding the basics of Wiccan philosophy and ideology. Starting with a brief rundown of Witchcraft tools and symbols, this book helps you create spells for virtually every aspect of your life. This new edition includes essential information on: The Wheel of the Year: the eight major holidays (or sabbats) in the Witches' calendar Keeping a grimoire or Book of Shadows Meditation, visualization, and manifestation Magickal correspondences and properties of stones Spirit animals and totems How to join or create a coven Filled with more than 100 Wiccan spells that have simple instructions, this book contains everything you need to know in order to create spells that work. *Black Magic and Witches* Tamara L. Roleff 2003 Explores both sides of the question of whether or not witchcraft is destructive, looking at issues related to the Harry Potter books, wiccans serving in the military, and the validity of magic. **Wicca** Scott Cunningham 2010-09-08 Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

The Lion, the Witch, and the Wardrobe C.S. Lewis 2018-04-10 C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. The *Lion, the Witch, and the Wardrobe* is the first book in *The Chronicles of Narnia*.

How to Become a Wiccan Dayanara Blue Star 2016-09-22 Wicca is a legally recognized religion in the United States of America, but if you ask ten different Wiccans about it, you will

be presented with different points of view. Thousands of people from all walks of life all around the world are practicing Wiccans. But Wicca is not just about witchcraft. And it definitely is not about doing spells and harming others because the main principle of Wiccans is "An ye harm none, do what ye will", that is, do whatever you want, as long as you never harm another human being. If you are interested in learning about Wicca, about its basic principles, and about the tools you will need to do magic spells, continue reading this guide and you will definitely find what it takes to become a good Wiccan.

Africans John Iliffe 2007-08-13 In a vast and all-embracing study of Africa, from the origins of mankind to the AIDS epidemic, John Iliffe refocuses its history on the peopling of an environmentally hostile continent. Africans have been pioneers struggling against disease and nature, and their social, economic and political institutions have been designed to ensure their survival. In the context of medical progress and other twentieth-century innovations, however, the same institutions have bred the most rapid population growth the world has ever seen. Africans: The History of a Continent is thus a single story binding living Africans to their earliest human ancestors.

Sexy Sorceress Marian Singer 2005-11-15 This little gift volume shows readers how to use charms, potions, spells and visualisations to seduce a lover, set a mood and create romance. It includes tips on how to create an exotic boudoir and aromatics to arouse passion.

A New Earth Eckhart Tolle 2006-08-29 The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the

key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

The Holy Sabbath Arthur Pink 2014-08-11 Keeping the Lord's Day holy is obeying the 4th of the 10 commandments, which are commandments and not suggestions. And as Jesus states they are here until Heaven and Earth pass away (Matt 5:17-20). The church from the Book of Acts time gathered on the first day of the week, the day Jesus was resurrected, calling it the "Lord's Day" and set it aside as their sabbath - 1 Cor 16:1-2, Acts 20:7 & Rev 1:9, keeping it holy and wholly for God in worship, giving, Bible study, church, prayer, evangelising (and not for worldly things, sports, restaurants, shopping, TV etc). This is a most neglected command today, but it was not neglected in church history. Many of the greatest revivalists and reformers in Church history preached and kept the Lord's Day holy such as: John Wesley, DL Moody, Charles Spurgeon, David Livingston, William Wilberforce, Hudson Taylor, Charles Finney, William Booth, George Whitfield and many others who have massively impacted the church. In fact during times of revival it is highly significant that revivals were always accompanied by a renewal and revival of keeping the sabbath day (the Lord's day) as well. Exodus 20:8-11 (The 4th Commandment) "Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. For in six days the Lord made the heavens and the earth, the sea, and all that

is in them, but he rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy."

Buckland's Complete Book of

Witchcraft Raymond Buckland 1986

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A

masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison, author of *The Craft*

The Complete Idiot's Guide to Wicca and Witchcraft Denise Zimmermann 2006 Offers information on the theory, ritual, tradition, and history of Wicca, including advice on how to

practice the magical art.

A Wiccan Bible A.J. Drew 2003-08-15

"If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows; above the door of your house (or temple); and in every mind it is this: 'Wicca is not a place to go, it is a journey to take.'"—Spiral Nature For thousands of years, we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was more to religion than ancient rituals performed for reasons unknown, this book will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. Drew makes no attempt to dictate religious dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: • Maiden and Master: Creation, Wiccaning, and Self-dedication. • Mother and Father: Initiation, Handfasting/Handparting, and the Wheel of the Year. • Crone and Sage: Community, the world, and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science, fusing both into a creation myth which satisfies not only mind, but soul as well. A Wiccan Bible not only shows a religious path filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many

ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected, including mixtures for incense, oils, and baths.

The Everything Birthday Personology

Book Marian Singer 2006-12-10 What does your birth date say about you, your friends, or your family? Witchcraft, Demonology and Magic

Marina Montesano 2020-05-20 Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional

witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current "cumulative concept of Western witchcraft" that rules out all mono-causality theories, investigating a plurality of causes. *The Ten Commandments Vs Baal Worship* Vilma Ramdhar 2017-03-13 Working in the hospital and prison ministry, I had the opportunity to meet the country's most feared criminal. He was a cult leader with forty churches all around the country. A group of us would go to the prison every Wednesday and were allowed to have church for one hour. God used me to witness to this black, Jewish person who did not believe in Jesus but knew the Old Testament very well. He proclaimed to be their King. With the help of God and my faithful pastor who provided me with scriptures and a book entitles "Concerning Spiritual Gifts" I was able to lead him to the Lord. When he went to the hospital time after time, I was there to visit and pray for him. He experienced God's healing many times even when he was dying from a stroke, enlarged heart, diabetes, and hypertension. He had a miracle and baffled the doctors and nurses. Instead of serving 20 years, he was released after 6 years. There were other prisoners whom god has used me to pray for and they were released too. They all went to church with me. He was baptized 6 months later by the Bishop of the country. We discussed the Ten Commandments and he told me that there is no one who can keep them all. Being a spirit filled Christian on fire for the Lord, I told him, "With the help of the Holy Spirit we can keep them all." This is what inspired me to study and write this book. I come from a Muslim background, my husband from a Hindu background. I see the idols these religions worship which

were made by man's hand. God made man in His image but these people made and continue to make their gods, which THEY turn back and worship (Read Isaiah 44). I tried for fifteen years to finish this book to expose the devil but I never did. I think this is the allotted time. Glory to God!

Bruxaria Moderna Deborah Blake

2021-06-14 Por que razão é que a bruxaria atrai cada vez mais pessoas, principalmente mulheres? Como é que esse caminho, baseado em crenças e tradições provenientes dos primórdios dos tempos, tem tocado de forma tão profunda a mulher moderna? Para este despertar a que agora assistimos, em muito contribui o facto de a bruxaria ser sinónimo de prática, na qual, ao contrário do que se verifica noutras religiões, nada se intromete entre a praticante e a relação com a divindade. Mas há mais. Muito mais. Esta obra orienta-a na viagem em que o poder do feminino se revela em todo o seu esplendor. Descubra mais sobre a wicca, a bruxaria e o paganismo; encontre o divino no feminino; aprenda a estar em comunhão com a natureza; e coloque toda a teoria em prática, criando mudanças positivas no seu quotidiano. Um livro dos dias de hoje, mas com toda a tradição e sabedoria acumuladas desde há séculos. Uma ponte perfeita entre o que foi e o que ainda virá a ser.

Exposing Harry Potter and Witchcraft Steve Wohlberg 2005-01-01 "Previously published as Hour of the witch"--T.p. verso.

Blood of Sirens Bonnie Lamer 2015-03-06 Xandra believes Sirens are creatures of myth. At least, she does until they escape from the prison that has held them for centuries and they come seeking revenge. Now, their magic is unstoppable. Even a Witch Fairy's magic isn't strong enough to stop the Sirens from singing their death call. With only six nights to find a solution before all the males she loves are taken from her, Xandra must find a way to stop them.

Wicca for Beginners Gillian Nolan 2015-04-15 Everything you need to know about the Peaceful Wicca Religion This book will show you the charming beliefs and traditions of the Wiccan way of life This book is a great start for anyone interested in

Here is a preview of what you will learn in this book What Wicca is Rituals, Magick and Spells in Wicca Healing Spells Money Spells Love Spells New Years Rituals Making a Scrying Mirror Ostara Ritual Wicca Mythology Finding a Coven and creating an Altar Wicca book of shadows

Modern Witchcraft Deborah Blake 2020-07-07 Deborah Blake's Modern Witchcraft is a guidebook to witchcraft as a female-empowering religion, including detailed instructions on how to practice self-care in today's society through goddess worship and magic. In a time when most formal religions are on the wane, Wicca is said to be the fastest growing religion in North America. What is it that draws people to Witchcraft, and how does a spiritual path with its roots in ancient beliefs and traditions transform itself into a practice that resonates so deeply with today's modern woman? There are a number of explanations for the phenomenon, such as Witchcraft's connection to the natural world, or acceptance of members regardless of lifestyle choices. For women, however, the greatest appeal may be the worship of a goddess (or goddesses). No stern patriarchal God here. Instead, Wicca and most other forms of modern Witchcraft embrace deity in both the feminine and the masculine. Suddenly, women can look at the divine and see themselves reflected back. In addition, many women are frustrated, frightened, triggered, and down-right furious with the current social and political environment, but feel powerless to create positive change. Witchcraft can give them a sense of personal empowerment. There are many different Witchcraft paths and a

multitude of approaches to its practice. This book will guide the reader on the journey to connecting with the feminine divine both without and within, and open the door to this magical religion that will enlighten, uplift, and energize their lives.

The Magical and Sacred Medical World Éva Pócs 2019-01-15 This collection of papers explores the sacred and magical aspects of ethno-medicine. The subject area is marked out by the points of connection between religious anthropology, ethno-medicine and medical anthropology, focusing on topics such as magical and religious concepts of health and disease, causes of disease, religious and magical averting and healing rites, healing gods, saints and, last but not least, the role that these play in the society, religion, mentality and everyday life of a community, as well as their various representations in folklore, literature or art. This volume includes, without restrictions of a methodological, temporal or geographical nature, works from the fields of folklore studies, anthropology, cultural history, comparative historical and textual philology, as well as research findings using the latest methods of analysis in textual folklore or based on archival research or fieldwork in or outside of Europe. This book will appeal to researchers and students of religion, folklore, and medical anthropology, as well as general readers interested in the humanities and cultural history.

The Crucible Arthur Miller 2012-03-19 "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin

Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.

Elder Futhark Bindrunes J. C. Marco 2021-06-28 Do you want to manifest the life you truly desire? Are you looking for better ways to set your intentions and speak to the universe about what you want? Witchcraft on a Shoestring Deborah Blake 2010-11-08 Practicing Witchcraft doesn't have to cost an arm, a leg, and a broomstick! From homemade tools to frugal feasts to

thrifty home decoration, Deborah Blake offers economical tips and suggestions for stretching your dollar while enriching your practice. She gives clear, simple instructions for making your own magickal oils, runes, tarot cards, candles, jewelry, charms, and wands, all using inexpensive materials. Choose from over fifty ways to practice Witchcraft that cost little or no money, and try more than forty recipes for tasty sabbat dishes that cost ten dollars or less. With a sprinkling of imagination and a touch of magick, you can add to your inner wealth of spirituality. After all, the best parts of being a Witch are always free.

The Weiser Field Guide to Witches Judika Illes 2010-10-01 Witches peek from greeting cards and advertisements, and they dig twisted roots from the ground. Witches dance beneath the stars and lurk around cauldrons. Witches heal, witches scare, witches creep, and witches teach! A compendium of witches through the ages, from earliest prehistory to some of the most significant modern practitioners, The Weiser Field Guide to Witches explores who and what is a witch. From such famed historical legends as Aleister Crowley, Marie Laveau and Elizabeth Bathory to the popular literary and cinematic figures Harry Potter and The Wicked Witch of the West, Illes offers a complete range of the history of witches. Included also are the sacred-Isis, Hekate, Aradia-and the profane-the Salem Witch trials and The Burning Times. The Weiser Field Guide to Witches is appropriate for readers of all ages and serves as an excellent and entertaining introduction for those fascinated by the topic.

Modern Witchcraft and Magic for Beginners Lisa Chamberlain 2015-10-31 Everything You Need to Know to Start Practicing Magic and Witchcraft "Witchcraft" is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate people who practice Witchcraft with the dark

arts-believing that Witches go around hexing people, or use other "black magic" to cause trouble for people they dislike. The truth is, Witchcraft is not fantasy, and is not inherently malicious. It's a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been recording history. Nonetheless, due to the persistence of these misconceptions in mainstream society, some Wiccans do not consider themselves to be practitioners of Witchcraft, and don't identify as Witches. This is despite the fact that Gerald Gardner, the founder of what became known as Wicca, described the religious activities of his coven in exactly these terms—they were Witches practicing Witchcraft! Whether you choose to call yourself a Witch, a Wiccan, both, or neither, Witchcraft is an enormous topic that can be overwhelming for those who are just starting to explore it. There's so much to learn, and there are many differing perspectives on what is "correct" or "incorrect" in terms of knowledge and practice. Truly, it may be the one of the most confounding of all possible areas of spirituality! Modern Witchcraft and Magic for Beginners was created to provide a fact-based, neutrally-oriented context for launching you on your exploration. Whether you feel called to study Wicca with a practicing coven, learn as much as you can on your own about a branch of Traditional Witchcraft, or forge an eclectic practice that combines several approaches, this book will help you navigate the various opinions, definitions, and perspectives you'll find in the wide, wide world of the Craft. Foundations of Western Witchcraft Wicca has become the most well-known form of the Craft, but it emerged in tandem with other forms. Many of these other traditions were influenced by, and had influence on, what we now know as Wicca. A basic understanding of the wider realm of Witchcraft allows you to broaden your knowledge and enhance your practice. In these pages, you'll find: An overview of the historical and cultural contexts in which

contemporary Witchcraft has evolved A debunking of common misconceptions about Witchcraft as it is practiced today Core beliefs and practices found among a variety of forms of the Craft Clear distinctions between Wiccan, Traditional, and Eclectic paths Core concepts underlying the "why" and "how" of magic A brief look at a few common magical techniques—visualization, invocation, and candle magic Some example workings for you to try, if you feel so inclined Suggested references for further reading for those who want to explore these topics further Whether your curiosity about the Craft is intellectual, spiritual, or both, you'll find plenty of useful information in *Modern Witchcraft and Magic for Beginners*. After reading this book, you should have a better grounding in this fascinating field, and hopefully a clearer sense of where you'd like to go next! If you're ready to learn about Witchcraft and start practicing magic, scroll to the top of the page and select the buy button. Readers will also be treated to an exclusive free gift!

Craft of the Wild Witch Poppy Palin 2004 Read nature's language and develop a living relationship with the land from the wild witch perspective; find magic in the mundane; and review Sabbats, Esbats, spell-weaving, companion spirits, fairies, intuition development, and more. Original.

A Witch's 10 Commandments Marian Singer 2006-05-30 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.
