Bossman Vi Keeland 2016-07-18 From New York Times Bestseller, Vi Keeland, comes a sexy new standalone novel. The first time I met Chase Parker, I didn't exactly make a good impression. I was hiding in the bathroom hallway of a restaurant, leaving a message for my best friend to save me from my awful date. He overheard and told me I was a bitch, then proceeded to offer me some dating advice. So I told him to mind his own damn business—his own tall, gorgeous, full-of-himself damn business—and went back to my miserable date. When he walked by my table, he smirked, and I watched his arrogant, sexy ass walk back to his date. I couldn't help but sneak hidden glances at the condescending jerk on the other side of the room. Of course, he caught me on more than one occasion, and winked. When the gorgeous stranger and his equally hot date suddenly appeared at our table, I thought he was going to rat me out. But instead, he pretended we knew each other and joined us—telling elaborate, embarrassing stories about our fake childhood. My date suddenly went from boring to bizarrely exciting. When it was over and we parted ways, I thought about him more than I would ever admit, even though I knew I'd never see him again. I mean, what were the chances I'd run into him again in a city with eight million people? Then again... What were the chances a month later he'd wind up being my new sexy boss?

This too-handsome billionaire is dark, dangerous...and also too good to be true. Surely Mia can indulge in her fantasies and escape the hardness of her daily life for just one night? As one night turns into two, Mia knows that eventually, the magic will end. She can't keep the beautiful clothes. She can't keep the soft bed. But as Xavier tempts his rags-to-riches heroine with exquisite pleasure and heady desire, Mia may have no choice but to surrender to him completely. Jackie Ashenden's novels have been described as "Dark, explosive, and gritty, with a splash of dominance." Once Upon a Time S. K. Hartley 2014-11-26 I don't believe in fairy tales. I don't believe in glass slippers. I don't believe in Prince-Freaking- Charming. Cinderella can kiss my ass. I kiss frogs, sometimes even toads. I've given up on meeting Mr. Right, instead it seems all I meet is Mr. Wrong, Mr. Very-Wrong and even, Mr. Lets-Not-Even-Go-There. Fairy tales are for morons. Well that's what I thought until Gabriel Black barged through my life, turning everything upside down. He's hot, sexy and a little rough around the edges. But, there's a dark secret deep inside, I can see it, taste it and smell it. Now I'm left wondering if he's my Prince Charming or my fairy tale villain. Will I ride away safely into the night, dreaming of happily ever afters? Or, will I stumble and fall in ridiculously high heels only meant for women with a death wish? Once Upon A Time... I met Gabriel Black.- STANDALONE. NO CLIFFHANGER. ROM-COM WITH A TWIST. A modern twist on the legendary fairy tale, Cinderella, but this isn't your average fairy tale.* Intended for audiences over the age of 18. nothing to get what he wants. The heroine? Well, we'll just call her stubborn... for now. *
