imaginations. With activities for every page of reading, the stimulating 'read and do' approach engages learners, practises language, and encourages critical-thinking skills.

A Dolphin Wish Natalie Grant 2016-01-26 Join

twins Mia and Maddie and their sidekick little sister, LuLu, as they travel the country finding adventure, mystery, and sometimes mischief along the way. Together with their famous mother, singer Gloria Glimmer, and their slightly wacky nanny Miss Twist, the sisters learn lessons about being good friends, telling the truth, and a whole lot more. In *A Dolphin Wish* a three-night stop in the city of San Diego seems like it might be just the break the girls need—lovely weather and great sights to see. That is until they hear animal handlers at “Watery World” talking about the trouble they’ve been having keeping the animals in their habitats. Mia and her sisters cannot resist a challenge and they talk Miss Twist into another visit to the educational amusement park to search for clues as to what or who is helping the animals escape.

Numbers, Numbers Everywhere (Dolphin Readers Level 2) Richard Northcott 2016-11-30

Lost in the River of Grass Ginny Rorby

2011-03-01 "I don't realize I'm crying until he glances at me. For a moment, I see the look of anguish in his eyes, then he blinks it away and slips off into the water. I immediately think of the gator. It's still down there somewhere. . . ." A science-class field trip to the Everglades is supposed to be fun, but Sarah's new at Glades Academy, and her fellow freshmen aren't exactly making her feel welcome. When an opportunity for an unauthorized side trip on an air boat presents itself, it seems like a perfect escape—an afternoon without feeling like a sore thumb. But one simple oversight turns a joyride into a race for survival across the river of grass. Sarah will have to count on her instincts—and a guy she barely knows—if they have any hope of making it back alive.

Uncle Jerry's Great Idea (Dolphin Readers Level 3) Norma Shapiro 2016-11-30 From shapes and baby animals to students in space, fiction and non-fiction Dolphins capture imaginations. With activities for every page of reading, the

The Music of Dolphins Karen Hesse 2016-08-30 From the Newbery Award winning author of *Out of the Dust*. Mila becomes famous around the world when she is rescued from an unpopulated island off the coast of Florida. Years ago, Mila went missing from a boat crash, and she has been raised by dolphins from the age of four. Researchers teach Mila language and music. But she also learns about rules and expectations, about locked doors and broken promises, disappointment and betrayal. The more Mila finds out about what it means to be human, the more she longs for her home in the ocean...
