2019-09-10 Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and

his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

Caught in the Storm Rachael Brownell

2019-03-31 Love can be blinding and by the time the truth shines through, it's too late to escape. Fame. Fortune. Success. Is that too much to ask? All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be. Joseph was that man. Until the night the lights went out

and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control. Over my heart. My career. My entire life. My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt. Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone. Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series.

*Honky Tonk Christmas* Carolyn Brown 2010-10-01  
One cowboy, one bar, one hell of a holiday!  
Praise for Carolyn Brown's country music romances: "You won't want to miss this boot scootin' contemporary full of sexy cowboys and sassy women."-The Romance Studio (My Give a Damn's Busted) She means business... Sharlene

Waverly is determined to have the "new and improved" Honky Tonk up and running before the holiday. For that, she'll need Holt Jackson, the best darn carpenter in the state. But his warm, whisky-colored eyes make her insides melt, and before she knows it, she's sharing her darkest secrets and talking about the nightmares... He's determined to keep things professional... Holt Jackson needs the job at the Honky Tonk, but is completely unprepared to handle the beautiful new bar owner he's working for. Sharlene and Holt try like crazy to deny the sparks flying between them, but their love may just be the best Christmas present either one of them ever got. Praise for *I Love This Bar*: "Heart...sass...a lot of sparks and romance...country music. What more can I say? I really had fun with this book."-Red-Headed Book Child "Guaranteed to leave you countrified and satisfied!"-Love Romance Passion

This Is War Kennedy Fox 2016-09-18  
Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game- and lose. Checkmate.

**The Widow Waltz** Sally Koslow 2013-06-13

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family

attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness,

and healing, all while asking, "What is family, really?"

*The Aussie Next Door* Stefanie London

2019-08-27 "A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on

his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? **Return Billionaire to Sender** Annika Martin  
2020-10-20 I may be a shy, lowly letter carrier, but when my beloved apartment building is threatened by a mysterious and reclusive billionaire, I'm willing to push the envelope. I'm going to march right up to Malcolm Blackberg's fortress of fierceness and deliver a cease-and-desist notice he can't refuse. Except as soon as I get inside his gilded doors, things go sideways—I'm mistaken for Malcolm's court-ordered emotional intelligence coach—they think I'm acting out a wacky postal carrier cosplay. They drag me in, a sacrificial lamb for the big bad. Make that big, smolderingly sexy bad. So I make up a lesson involving a story about our building. He doesn't seem happy. Can he tell that I have no idea what I'm doing? Before I know it I'm flying around the country, up close and personality testing the most devilishly exasperating man I've ever met. He's scary for sure...but the way he sometimes looks at me

turns my knees to jelly, and has me writing love letters to his gorgeous eyes, his mouthwatering smile, his impressive...package. **Castle on the Rise** Kristy Cambron 2019-02-05  
Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling

through the 1916 Easter Rising, and Maeve—the castle’s lady of legend, fighting for survival through the 1798 rebellion that started it all. **Learning-Driven Schools** Barry Beers 2006-06-15 Many teachers are trained to approach their work with a set of teaching strategies and lessons that changes little over time. Because they are focused on how they teach, rather than on how their students learn, they use the same techniques day after day, making no adjustments for students' different learning needs. In *Learning-Driven Schools: A Practical Guide for Teachers and Principals*, Barry Beers shows how teachers can plan, teach, and assess for student learning--and how principals

can support teachers in their efforts. The book includes \* An overview of the research on knowledge retention; \* Real-life samples of lesson plans that address state and local standards; \* Strategies on accurately assessing student learning; \* Advice for teachers on addressing the needs of struggling, intermediate, and advanced students at the same time; and \* Advice for administrators on conducting effective classroom observations. A rallying cry and how-to guide rolled into one, this book is an invaluable resource for anyone passionate about learning. Having served as a veteran teacher and principal himself, Barry Beers brings his own experience and understanding to bear on the essential task of ensuring that student learning remains the clear focus of our schools.

**Lippincott Williams and Wilkins'**

**Comprehensive Medical Assisting** Judy Kronenberger 2012-03 We're pleased to introduce the fourth edition of Lippincott Williams & Wilkins' Comprehensive Medical Assisting, the medical assisting text designed to meet your challenges. This dynamic package of text and resources represent more than just a textbook, instead providing a suite of learning resources. This is the one text aimed at making sure that every graduate can quickly change their cap and gown for a set of scrubs and immediately be a vital member of the medical office. We do this by: Providing the content in an engaging style that speaks to students. Putting pedagogy to work in the text through key features like patient education boxes, competency checklists, procedure boxes, etc. Placing students in the real environment in through our web-based EMR and PMS software package. Showing what we teach through skills videos that demonstrate the procedures and skills described. Constantly reinforcing the learning through additional online

ancillaries including animations, ESL resources, etc. Helping instructors lessen planning time, with robust instructor resources. A competency spreadsheet helps faculty members and students track their progress through the material. New content in the fourth edition focuses on addressing crucial changes in policy and technology. Without changing the engaging writing style we're known for, we've made sure that the content is up-to-date and in-line with the needs of the market. We've added content on emergency preparedness, a crucial topic in today's medical office. In addition, instructors will be happy to find the latest CAAHEP and ABHES competencies clearly addressed throughout the text.

To My Arrogant Boss J. S. Cooper 2021-01-01 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get

over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

**Death Waits in the Dark** Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his

first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from

the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
