Halo Graphic Novel (New Edition) Lee Hammock 2021-12-07 Dark Horse Books is proud to present the legendary graphic novel that introduced Halo to the world of comics - back in print for the first time in over a decade! This book includes four classic Halo stories that

expand the deep lore of the Halo universe told by some of the finest creators in comic-book history.

Halo: Collateral Damage Alex Irvine 2019-02-05 The Master Chief and Blue Team are deployed by the UNSC to Alpha Corvi II, a precarious human colony world, seeking to halt the

Covenant's efforts to uncover something hidden below the planet's surface. Before they were legends in the Halo universe, they were soldiers on the front lines. Alpha Corvi II is under a full-scale attack by humanity's newfound enemy, the Covenant. While most of the UNSC's forces have been ordered to defend the colony's primary city, a Covenant strike team has infiltrated a small mining settlement. With resources limited, the UNSC sends the Spartans--the Master Chief and Blue Team--to neutralize the alien threat and discover what they're after. The Spartan strike team quickly finds out that they will have to rely on each other and a small cadre of human rebels in order to survive and complete their mission. Writer Alex Irvine (Halo: Rise of Atriox, Halo: Tales From Slipspace) and artist Dave Crosland (Halo: Tales From Slipspace) lead us on a thrilling mission from the early days of the three-decade long Covenant War.

Moving Mars Greg Bear 2014-04-01 A galaxy-altering scientific breakthrough on Mars inspires

treachery and revolution in this Nebula Award-winning science fiction epic. The child of one of the oldest, most revered family-corporate units on colonized Mars, Casseia Majumdar has spent her entire life in the tunnels that run beneath the surface of her homeworld. As a young college student in 2171, the fifty-third year of the Martian settlement, she experiences a profound political awakening, and her embrace of radical activism only intensifies following a failed diplomatic mission to Earth. As she rises up through the political ranks back on Mars—with tensions increasing between an oppressive “Mother Earth” and her rebellious “Red Rabbit” children—Casseia soon realizes that an enlightened ideology alone will not save her planet and its people. But it is a staggering scientific discovery by Martian physicist Charles Franklin—Casseia’s mentor and former lover—that will ultimately reveal the depths of the perfidy of the “Terries,” forcing an imperiled civilization to alter forever the map of the

universe. A two-time winner of the Nebula Award and a multiple Hugo and Arthur C. Clarke Award nominee, the great Greg Bear has been called “the complete master of the grand scale sf novel” (Booklist). His *Moving Mars* is a masterful extrapolation of contentious humanity’s possible future and a modern classic to be shelved alongside the acclaimed Mars novels of Ben Bova and Kim Stanley Robinson. It’s “as good as hard science fiction gets” (The Oregonian).

Halo: Mortal Dictata Karen Traviss 2019-01-01
The final novel of the Kilo-Five Trilogy by #1 New York Times bestselling author Karen Traviss—part of the expanded universe based on the award-winning video game series Halo! 2553. With the thirty-year-long Covenant War finally over, the Office of Naval Intelligence faces old grievances rising again to threaten Earth. Angry and bitter colonists—still wanting to settle scores from an insurrection put on hold for three decades—crave justice...as does a man whose life was torn apart by ONI when his

young daughter was abducted for the SPARTAN-II program. Black-ops squad Kilo-Five now find its collective loyalty tested beyond the breaking point when the father of their Spartan comrade, still searching for the truth about her disappearance, prepares to glass Earth’s cities to get an answer. How far will Kilo-Five go to stop him? And will he be able to live with the truth when he finds it? The painful answer lies with someone long dead, and a conscience that still survives in the most unlikely, undiscovered place...

Halo - Fall of Reach 2012-05-23 After creating more than 800 colonies, the United Nations Space Command has encountered the Covenant - an alien race bent on obliterating humanity. The burnt cinder that used to be the peaceful farming world Harvest and its millions of dead colonists serve as testimony to the Covenant's intentions. But if Dr. Catherine Halsey can equip the UNSC's super-soldiers, the Spartans, in her new MJOLNIR armor, humanity just might stand

a fighting chance against the aliens' seemingly unstoppable campaign. Covenant continues the adaptation of Eric Nylund's novel Halo: The Fall of Reach, based on the international videogame sensation. COLLECTING: Halo: Fall of Reach - Covenant 1-4

Halo: The Thursday War Karen Traviss

2019-01-01 The second novel of the Kilo-Five Trilogy by #1 New York Times bestselling author Karen Traviss—part of the expanded universe based on the award-winning video game series Halo! 2553. Welcome to humanity's new war: silent, high stakes, and unseen. This is a life-or-death mission for the Office of Naval Intelligence's black-ops team, Kilo-Five, which is tasked with preventing the ruthless Sangheili, once the military leaders of the alien alliance known as the Covenant, from regrouping and threatening humankind again. What began as a routine dirty-tricks operation—keeping the Sangheili occupied with their own insurrection—turns into a desperate bid to

extract one member of Kilo-Five from the seething heart of a brutal civil war. But troubles never come singly for Kilo-Five. Colonial terrorism is once again surfacing on one of the human worlds that survived the war against the Covenant, and the man behind it is much more than just a name to Spartan Naomi-010.

Meanwhile, the treasure trove of Forerunner technology recovered from the Forerunner shield world of Onyx is being put to work, even as a kidnapped Sangheili plots vengeance on the humans he fears will bring his people to the brink of destruction...

HALO: The Thursday War Karen Traviss

2012-10-02 A sequel to HALO: Glasslands follows the establishment of a fragile peace between Earth and the people of the Covenant, which is threatened by Earth's secret effort to exploit newly discovered Forerunner technology at the same time a violent splinter group attempts to remove peace-promoting leaders from power. Simultaneous. 200,000 first

printing. Video game tie-in.

City at the End of Time Greg Bear 2008-08-05
Multiple Hugo and Nebula award-winning author, Greg Bear is one of science fiction's most accomplished writers. Bold scientific speculation, riveting plots, and a fierce humanism reflected in characters who dare to dream of better worlds distinguish his work. Now Bear has written a mind-bendingly epic novel that may well be his masterpiece. Do you dream of a city at the end of time? In a time like the present, in a world that may or may not be our own, three young people—Ginny, Jack, and Daniel—dream of a doomed, decadent city of the distant future: the Kalpa. Ginny's and Jack's dreams overtake them without warning, leaving their bodies behind while carrying their consciousnesses forward, into the minds of two inhabitants of the Kalpa—a would-be warrior, Jebrassy, and an inquisitive explorer, Tiadba—who have been genetically retro-engineered to possess qualities of ancient

humanity. As for Daniel: He dreams of an empty darkness—all that his future holds. But more than dreams link Ginny, Jack, and Daniel. They are fate-shifters, born with the ability to skip like stones across the surface of the fifth dimension, inhabiting alternate versions of themselves. And each guards an object whose origin and purpose are unknown: gnarled, stony artifacts called sum-runners that persist unchanged through all versions of time. Hunted by others with similar powers who seek the sum-runners on behalf of a terrifying, goddess-like entity known as the Chalk Princess, Ginny, Jack, and Daniel are drawn, despite themselves, into an all but hopeless mission to rescue the future—and complete the greatest achievement in human history.

Hull Zero Three Greg Bear 2010-11-22 A starship hurtles through the emptiness of space. Its destination - unknown. Its purpose - a mystery. Now, one man wakes up. Ripped from a dream of a new home - a new planet and the

woman he was meant to love in his arms - he finds himself wet, naked, and freezing to death. The dark halls are full of monsters but trusting other survivors he meets might be the greater danger. All he has are questions -- Who is he? Where are they going? What happened to the dream of a new life? What happened to Hull 03? All will be answered, if he can survive the ship.

Halo: Point of Light Kelly Gay 2021-03-02 An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! August 2558. Rion Forge was once defined by her relentless quest for hope amidst the refuse and wreckage of a post-Covenant War galaxy—years spent searching for family as much as fortune. But that was before Rion and the crew of her salvager ship Ace of Spades encountered a powerful yet tragic being who forever altered their lives. This remnant from eons past, when the Forerunners once thrived, brought with it a revelation of ancient machinations and a shocking, brutal history.

Unfortunately, the Ace crew also made dire enemies of the Office of Naval Intelligence in the process, with the constant threat of capture and incarceration a very real possibility. Now with tensions mounting and ONI forces closing in, Rion and her companions commit to this being's very personal mission, unlocking untold secrets and even deadlier threats that have been hidden away for centuries from an unsuspecting universe....

With the Lightnings David Drake 2000-07-01 A Friendship Forged in Hell! Daniel Leary is a lieutenant in the Republic of Cinnabar Navy with no money and no prospects since he quarreled with his ruthless, politically powerful father. Adele Mundy is a scholar with no money and no prospects since her family was massacred for conspiring against the Government of Cinnabar. Kostroma is a wealthy planet which depends on diplomacy to stay independent in a galaxy whose two great powers, Cinnabar and the Alliance, battle for supremacy. In a few hours, diplomacy

is going to fail Kostroma. Daniel, Adele, and the scratch crew they gather aren't much to stand in the way of a powerful invasion fleet, but just possibly they're enough. Men and women who hold courage cheap and honor more dear than life itself face impossible odds in a novel of color, intrigue and slashing action. From the corridors of a treason-ridden palace through the perils of unknown seas and hellish jungles to a final blazing climax in space, the heroes never bow and the action never flags. They have nothing on their side but each other^{3/4}and heaven help whatever tries to stand in their way! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Halo: Retribution Troy Denning 2017-08-29 An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! December 2553. Less than a year after the end of the Covenant War, a string of violent incidents continues to threaten the tenuous peace in human-held space, culminating

in the assassination of UNSC fleet admiral Graselyn Tuwa and the abduction of her family. It is a provocation so outrageous that the Office of Naval Intelligence must retaliate swiftly and ferociously—but only after its operatives identify her killer and rescue the hostages. This mission will be the first for homicide-detective-turned-ONI-operative Veta Lopis and her young team of Spartan-IIIs, and something feels wrong from the start. The obvious suspect is an infamous Brute who leads the Keepers of the One Freedom, an ex-Covenant splinter group in fierce opposition to the UNSC. But Lopis and her team soon realize that the truth is much more insidious than they could ever have imagined, and with Fred-104, Kelly-087, and Linda-058 of Blue Team for combat support, they must stop a plan hatched in the bowels of the secret research station Argent Moon—a plan so sinister it could destroy all those still reeling from thirty years of intergalactic conflict....

Halo: Evolutions Brian Evenson 2009-11-24 A

volume of short works inspired by the universe as depicted in the popular video game expands the stories of its characters while offering new insights into a variety of storyline elements and races. Simultaneous. Video game tie-in.

Halo: Contact Harvest Joseph Staten 2019-01-01

The New York Times bestseller—part of the expanded universe based on the award-winning video game series Halo! 2524. Harvest is a peaceful, prosperous farming colony on the very edge of human-controlled space. But humanity has unknowingly trespassed on holy ground—straying into the path of the aggressive, theocratic empire known as the Covenant. What begins as a chance encounter between an alien privateer and a human freighter soon catapults all of mankind into a struggle for its very existence. But humanity is also currently locked in a bitter civil war of its own: the Insurrection. With resources strained to the breaking point, the ultimate survival of Harvest's citizens falls to a squad of battle-weary UNSC Marines and their

inexperienced colonial militia trainees. In this unlikely group of heroes, one will stand above the rest—a young Marine staff sergeant named Avery Johnson....

Halo: Cryptum Forerunner Saga Greg Bear 2011

The Forge of God Greg Bear 2014-04-01 This doomsday masterpiece from the author of Eon and Hull Zero Three was a finalist for the Hugo and Nebula awards. On July 26, Arthur Gordon learns that Europa, the sixth moon of Jupiter, has disappeared. Not hiding, not turned black, but gone. On September 28th, Edward Shaw finds an error in the geological records of Death Valley. A cinder cone was left off the map. Could it be new? Or, stranger yet, could it be artificial? The answer may be lying beside it—a dying Guest who brings devastating news for Edward and for Planet Earth. As more unexplained phenomena spring up around the globe—a granite mountain appearing in Australia, sounds emanating from the earth's core, flashes of light

among the asteroids—it becomes clear to some that the end is approaching, and there is nothing we can do. In *The Forge of God*, award-winning author Greg Bear describes the final days of the world on both a massive, scientific scale and in the everyday, emotional context of individual human lives. Facing the destruction of all they know, some people turn to God, others to their families, and a few turn to saviors promising escape from a planet being torn apart. Will they make it in time? And who gets left behind to experience the last moments of beauty and chaos on earth? Nominated for the Nebula, Hugo, and Locus Awards, *The Forge of God* is an engrossing read, breathtaking in its scope and in its detail.

[Halo: Shadows of Reach](#) Troy Denning
2020-10-20 USA TODAY BESTSELLER A Master Chief story and original full-length novel set in the Halo universe—based on the New York Times bestselling video game series! October 2559. It has been a year since the renegade

artificial intelligence Cortana issued a galaxy-wide ultimatum, subjecting many worlds to martial law under the indomitable grip of her Forerunner weapons. Outside her view, the members of Blue Team—John-117, the Master Chief; Fred-104; Kelly-087; and Linda-058—are assigned from the UNSC *Infinity* to make a covert insertion onto the ravaged planet Reach. Their former home and training ground—and the site of humanity’s most cataclysmic military defeat near the end of the Covenant War—Reach still hides myriad secrets after all these years. Blue Team’s mission is to penetrate the rubble-filled depths of CASTLE Base and recover top-secret assets locked away in Dr. Catherine Halsey’s abandoned laboratory—assets which may prove to be humanity’s last hope against Cortana. But Reach has been invaded by a powerful and ruthless alien faction, who have their own reasons for being there. Establishing themselves as a vicious occupying force on the devastated planet, this enemy will soon

transform Blue Team's simple retrieval operation into a full-blown crisis. And with the fate of the galaxy hanging in the balance, mission failure is not an option...

Halo: Ghosts of Onyx Eric Nylund 2019-01-01
The New York Times bestseller—part of the expanded universe based on the award-winning video game series Halo! The twenty-sixth century. Once considered clandestine, the Spartan-II program has now gone public. Tales of armored super-soldiers fending off thousands of Covenant attacks have become the stuff of legend. While the Master Chief defends a besieged Earth, and the myriad factions of the Covenant continue their crusade to eliminate humanity, an ultra-secret cell of the Office of Naval Intelligence known as “Section Three” devises a plan to buy the UNSC vital time. It will need hundreds of willing soldiers, though—and one more Spartan—to get the job done. The planet Onyx is virtually abandoned and the perfect place to set this new plan in motion. But

when the Master Chief destroys Halo, something is triggered deep within Onyx: Ancient Forerunner technology stirs, and fleets of UNSC and Covenant vessels race to claim it and change the course of the Human-Covenant War. But this reawakened and ancient force may have plans of its own...

Women Love Girth... the Fattest 100 Facts on Halo Charlotte Scory 2013-02 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Halo: Cryptum: Book One of the Forerunner Saga." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Darwin's Radio Greg Bear 2003-03-04 HUGO

AWARD FINALIST • “WOW! What a splendid (scary) notion: a human upgrade! What a superb plot! Darwin's Radio is bloody damned good.”—Anne McCaffrey “Virus hunter” Christopher Dicken is a man on a mission, following a trail of rumors, government cover-ups, and dead bodies around the globe in search of a mysterious disease that strikes only pregnant women and invariably results in miscarriage. But when Dicken finds what he’s looking for, the answer proves to be stranger—and far deadlier—than he ever could have imagined. Something that has slept in human DNA for millions of years is waking up. Molecular biologist Kaye Lang has spent her career tracing ancient retroviruses in the human genome. She believes these microscopic fossils can come to life again. But when Dicken’s discovery becomes public, Lang’s theory suddenly turns to chilling fact. As the outbreak of this terrifying disease threatens to become a deadly epidemic, Dicken and Lang must race

against time to assemble the pieces of a puzzle only they are equipped to solve—an evolutionary puzzle that will determine the future of the human race . . . if a future exists at all. Praise for Darwin’s Radio “Bear is one of our very best, and most innovative, speculative writers.”—New York Daily News “Superb . . . Bear's novel is frighteningly believable with a lot of clearly explained hard science, but the personal struggles of the well-realized characters keep everything on a human level.”—Focus “Bear is a writer of passionate vision.”—Locus “Darwin’s Radio scores a high rating on the thrill monitor.”—Birmingham Post (England) “Absorbing and ingenious.”—Kirkus Reviews **Halo: Smoke and Shadow** Kelly Gay 2016-11-28 An original digital-first novella set in the Halo Universe and based on the New York Times bestselling video game series! Find. Claim. Profit. In a post-war galaxy littered with scrap, it’s the salvager’s motto. And with a fast ship and a lust for adventure, Rion Forge has

certainly made her mark on the trade. When the discovery of a wrecked UNSC cruiser brings Rion's past back to haunt her, stirring fresh hope into a decades-old wound, she's hell-bent on finding answers: What really happened to her father and his ship, the Spirit of Fire? This digital-first novella also contains the complete text of Kelly Gay's short story "Into the Fire," originally featured in the collection Halo: Fractures.

Halo: Divine Wind Troy Denning 2021-10-19
An original novel set in the Halo universe—based on the New York Times bestselling video game series! October 2559. With the galaxy in the suffocating grip of a renegade artificial intelligence, another perilous threat has quietly emerged in the shadows: the Keepers of the One Freedom, a fanatical and merciless Covenant splinter group, has made its way beyond the borders of the galaxy to an ancient Forerunner installation known as the Ark. Led by an infamous Brute named Castor, the Keepers

intend to achieve what the Covenant, in all its might, failed to: activate Halo and take the last steps on the path of the Great Journey into transcendence. But unknown to Castor and his new, unexpected ally on the Ark, there are traitors to the cause in their midst—namely the Ferrets, composed of Office of Naval Intelligence operative Veta Lomis and her young team of Spartan-IIIs, who have been infiltrating the Keepers to lay the groundwork for Castor's assassination. But with ONI's field operations now splintered and cut off by the Guardian threat, Veta's original mission has suddenly and dramatically escalated in scope. There's simply no choice or fallback plan—either the Ferrets somehow stop the Keepers or the galaxy faces an extinction-level event....

Quantico Greg Bear 2014-04-01
The Dome of the Rock in Jerusalem has been blown to bits by extremists, and, in retaliation, thousands have died in another major attack on the United States. Now the FBI has been dispatched to deal

with a new menace. A plague targeted to ethnic groups--Jews or Muslims or both--has the potential to wipe out entire populations. But the FBI itself is under political assault. There's a good chance agents William Griffin, Fouad Al-Husam, and Jane Rowland will be part of the last class at Quantico. As the young agents hunt a brilliant homegrown terrorist, they join forces with veteran bio-terror expert Rebecca Rose. But the plot they uncover--and the man they chase--prove to be far more complex than anyone expects.

Halo: Cryptum Greg Bear 2011-08-05 Almost nothing is known for sure about this ancient race. Worshipped by the Covenant as gods, their engineering relics pepper the galaxy, and their connection to humanity remains unanswered. Devoted fans of both the books and games will finally get to delve deep into the era of these enigmatic beings, and discover for themselves the epic story behind one of the great mysteries of the 'Halo' universe: the complete

disappearance of the Forerunners from existence.

Halo: Broken Circle John Shirley 2014-11-04

The New York Times bestselling series based on the blockbuster Xbox® games! Centuries before the Human-Covenant War would rage across the galaxy, a similar conflict erupted between the Prophets and the Elites—two alien races at odds over the sacred artifacts left by the powerful Forerunners, who disappeared eons ago.

Although they would eventually form a stable alliance called the Covenant, there are those on both sides who question this fateful union. From an Elite splinter group rebelling against the Covenant during the time of its founding...to a brave Prophet caught in the machinations of the new leadership...to the root of the betrayal that would ultimately shatter the Covenant many years later, this is the untold chapter of the most unexpected heroes emerging from a realm filled with shocking treachery and ceaseless wonder.

In a post-Covenant War galaxy littered with scrap, it's the salvager's motto—and Rion Forge certainly made her mark on the trade. All she wanted was to grow her business and continue the search for her long-lost father, but her recent discovery of a Forerunner debris field at the edge of human-occupied space has now put her squarely in the crosshairs of the Office of Naval Intelligence and the violent remains of the Covenant. Each faction has a desire to lay claim to the spoils of ancient technology, whatever the cost, sending Rion and the crew of the Ace of Spades on a perilous venture—one that unexpectedly leads them straight into danger far greater than anything they've ever encountered...

Halo Mythos 343 Industries 2016-09-06 A must-have for any Halo fan, this official guide is the most comprehensive book ever written about the video game franchise, created by the game's developers. This official, comprehensive, authoritative guide to the Halo universe, written in collaboration with 343 Industries, the developers of the "Halo" franchise, marks the first time that a book incorporates the entirety of the "Halo" canon, including the games, books, comics, live-action and animated entertainment, and more. The book also includes over 50 specially commissioned full-color paintings showcasing vehicles, artificial intelligence, weapons, ships, and never-before-seen aspects of Halo environments. The amazing illustrations come from a variety of renowned illustrators, including Jean-Sébastien Rossbach, Leonid Kozienko, Benjamin Carré, Isaac Hannaford, and 343's internal art team, too. For the first time ever, the timeline of the Halo universe is available in one place, charting humanity's

battles against alien forces of the Covenant, Forerunners, and the Flood--making this book an absolute must-have for Halo fans.

Halo: Outcasts Troy Denning 2023-03-14 An original novel set in the Halo universe—based on the New York Times bestselling video game series! 2559. Formerly one of the Covenant's greatest and most fearsome warriors, Arbiter Thel 'Vadam is now allied with his former human enemies while deeply entrenched in leading the Sangheili people to a new era of unification. But his aspirations are under constant threat, whether by the dangerous, warring factions of rival Sangheili keeps, or the relentless shadow of oppression spread by the renegade artificial intelligence Cortana. An opportunity to break Cortana's chains has suddenly presented itself through the rumored existence of an ancient artifact located on the hostile world of Netherop. Spartan Olympia Vale, trained with the skills to live and thrive among the Sangheili, also recognizes this alien prize as an essential means

to aid humanity in reaching the same goal of freedom. But behind the scenes, both 'Vadam and Vale are being manipulated by a mysterious figure with their own agenda. And to make matters worse, all involved are unknowingly placing themselves at perilous odds with forces beyond their comprehension...

Halo: Silentium Greg Bear 2019-01-01 The final novel of the Forerunner Saga trilogy by science fiction legend Greg Bear—set in the Halo universe and based on the New York Times bestselling video game series! One hundred thousand years ago. Chaos rules the final days of the Forerunner empire. The Flood—a horrifying, shape-changing, and unstoppable parasite—has arrived in force, aided by unexpected allies, and internal strife has desperately weakened Forerunner defenses. Facing the imminent collapse of their civilization, the Forerunners known as the Ur-Didact and the Librarian reveal what they know about the relationship between the long-vanished race of the Precursors and the

Flood. While the Precursors created many technological species, including those of the Forerunners and humanity itself, the roots of the Flood may be found in an act of enormous barbarity, carried out beyond our galaxy ten million years before. Because of that savagery, a greater evil looms. Only the Ur-Didact and the Librarian—husband and wife pushed into desperate conflict—hold the keys to a solution. As they face the consequences of a mythic tragedy, one of them must now commit the greatest atrocity of all time—a shocking act designed to prevent an insane abomination from dominating the entire galaxy...

Halo: Evolutions Volume I Various Authors 2010-11-02 The original Halo: Evolutions, split into two volumes. This volume contains stories by: Tobias S. Buckell B. K. Evenson Jonathan Goff Eric Nylund Frank O'Connor Eric Raab When humanity expanded beyond the safety of Earth to new stars and horizons, they never dreamed what dangers they would encounter

there. When the alien juggernaut known as the Covenant declared holy war upon the fragile human empire, millions of lives were lost—but, millions of heroes rose to the challenge. In such a far-reaching conflict, not many of the stories of these heroes, both human and alien, have a chance to become legend. This collection holds eleven stories that dive into the depths of the vast Halo universe, not only from the perspective of those who fought and died to save humanity, but also those who vowed to wipe humanity out of existence. Included in this volume you'll find the stories of: * A Spartan II washout who was most dangerous when he was told he could not serve with his fellow warriors. * An ONI intelligence officer who falls captive to a ravenous pack of Brutes * A dying man standing between The Covenant and the location of Earth, with only a compromised AI to aid him * The confession of an ODST who tried to get more out of the war than just victory * A select unit of Spartan IIIs put on a mission to succeed against

against a never-before-seen Elite force * The impossible life and possible death of Admiral Preston J. Cole * And new to this volume, a glimpse into Forerunner life in "Soma the Painter" At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Halo: Primordium Greg Bear 2019-01-01 The second novel of the Forerunner Saga trilogy by science fiction legend Greg Bear—set in the Halo universe and based on the New York Times bestselling video game series! One hundred thousand years ago. In the wake of the apparent self-destruction of the alien Forerunner empire, two humans—Chakas and Riser—are like flotsam washed up on very strange shores indeed. Captured by the Forerunner known as the Master Builder and then misplaced during a furious battle in space, Chakas and Riser now find themselves on an inverted world, where horizons rise into the sky and humans of all kinds are trapped in a perilous cycle of horror

and neglect. They have become both research animals and strategic pawns in a cosmic game whose madness knows no end—a game of ancient vengeance between the powers who seeded the galaxy with life, and the Forerunners who expect to inherit their sacred Mantle of Responsibility to all living things. In the company of a young girl and an old man, Chakas begins an epic journey across a lost and damaged Halo ringworld in search of a way home, an explanation for the warrior spirits rising up within, and the reason for the Forerunner Librarian’s tampering with human destiny. Their travels will take them into the domain of a powerful and monstrous intelligence—known as “the Captive” by Forerunners, and “the Primordial” by ancient human warriors, this being may not only control the fate of Chakas, Riser, and the rest of humanity, but of all sentient life across the galaxy...

Halo: Bad Blood Matt Forbeck 2018-06-26 An

original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! Just hours following their climactic battle on the Forerunner planet Genesis, the Spartans of Blue Team and Fireteam Osiris find themselves running for their lives from the malevolent machinations of the now-renegade artificial intelligence Cortana. But even as they attempt to stay one step ahead, trouble seems to find Spartan Edward Buck no matter where he turns. A secret mission enacted by the Office of Naval Intelligence could possibly help turn the tide, and has Buck reluctantly agreeing to reform his old team, Alpha-Nine. Because if the band is really getting back together for this one, that means everybody—including the Spartan who Buck never wants to see again, the one who committed the ultimate betrayal of trust...

Halo: Oblivion Troy Denning 2020-04-07 A Master Chief story and original full-length novel set in the Halo universe—based on the New York Times bestselling video game series! 2526. It has been more than a year since humanity first

encountered the hostile military alliance of alien races known as the Covenant, and several weeks after the United Nations Space Command's devastating counterattack of Operation: SILENT STORM was deemed an overwhelming success. The UNSC has put its faith in the hands of the Spartans, led by the legendary Master Chief, John-117: enhanced super-soldiers raised and trained from childhood via a clandestine black ops project to be living weapons. But the Covenant—enraged and fearful of their enemy's unexpected strategies and prowess—is not taking its recent defeat lightly, and is now fully determined to eradicate humanity from existence, brutally overrunning the ill-fated planets of the Outer Colonies faster than retreats can be ordered. If the UNSC has any chance of stemming the tide of the war, the Master Chief and Blue Team must drop onto an empty, hellish world in order to capture a disabled Covenant frigate filled with valuable technology. It has all the makings of a trap, but

the bait is far too tempting to ignore—and this tantalizing prize is being offered by a disgraced and vengeful Covenant fleetmaster, whose sole opportunity for redemption lies in extinguishing humanity's only hope of survival...

Halo: Last Light Troy Denning 2015-09-15 An original novel set in the Halo Universe and based on the New York Times bestselling video game series! It is 2553, and the three-decade long Covenant War that defined a generation has suddenly drawn to a close. Yet, in the remotest parts of human space, tensions remain that threaten to overflow into another full-scale conflict. Beneath the surface of the planet Gao lies a vast cavern system renowned for its therapeutic effects and rumored miraculous cures. But now Gao natives are turning up brutally murdered down there—violent acts that happen to coincide with the recent arrival of a UNSC research battalion protected by Spartan Blue Team, led by the renowned Spartan-II Fred-104. Maverick detective Veta Lopolis of the

Gao Ministry of Protection is only trying to do her job as the Special Inspector assigned to catch a serial killer—one who is possibly hiding within the Spartan ranks—but she never anticipates the situation spiraling out of control into an all-out crisis. When Gao is revealed to harbor ancient Forerunner technology that could solidify the UNSC's military supremacy for centuries to come, Insurrection loyalists within the planetary government will do anything—even align with a vicious faction of what remains of the Covenant—to ensure that never happens...

HALO: Cryptum Greg Bear 2019-03-26 The first novel in the Forerunner Saga trilogy by science fiction legend Greg Bear—set in the Halo universe and based on the New York Times bestselling video game series! One hundred thousand years ago, the galaxy was populated by a great variety of beings. But one species—eons beyond all others in both technology and knowledge—achieved dominance. They ruled in

peace, but met opposition with quick and brutal effectiveness. They were the Forerunners—the keepers of the Mantle of Responsibility, the next stage of life in the Universe's Living Time. And then they vanished. This is their story.

Halo: Silentium Greg Bear 2013-03-28 "In the last years of the Forerunner empire, chaos rules. The Flood--a horrifying shape-changing parasite--has arrived in force, aided by unexpected allies. Internal strife within the ecumene has desperately weakened Forerunner defenses. Too little, too late, the legal rate of Juridicals is only now investigating possible crimes by the Master Builder and others. Evidence-gathering agents known collectively as Catalog have been dispatched to collect testimony from the Librarian and both Didacts: the Ur-Didact, treacherously abandoned in a Flood-infested system, and the Bornstellar Didact, who accompanies the Librarian as she preserves specimens against the dire possibility of Halo extermination. Facing the imminent collapse of

their civilization, the Librarian and the Ur-Didact reveal what they know about the relationship between the long-vanished Precursors and the Flood. The Precursors created many technological species, including humanity and the Forerunners. But the roots of the Flood may be found in an act of enormous barbarity, carried out beyond our galaxy ten million years before...Because of that barbarism, a greater evil looms. Only the Ur-Didact and the Librarian-husband and wife pushed into desperate conflict--hold the keys to a solution. Facing the consequences of a mythic tragedy, one of them must now commit the greatest atrocity of all time--to prevent an insane evil from dominating the entire universe"--

2015-07-27 An all-new digital single—part of the New York Times bestselling series based on the blockbuster Xbox® games! The military-grade artificial intelligence known as Iona has only one week to live. After that, the UNSC will legally terminate her seven-year existence in order to stave off the threat of the data corruption phenomenon known as “rampancy,” a condition that will eventually take hold of her functionality and persona, endangering all those around her. In a last-ditch effort to save herself, Iona has successfully launched an unprecedented legal appeal against her own death sentence—a case being watched very closely at not only the highest levels of human government, but by others with a very different agenda...
