**Sea Fever** Sam Jefferson 2015-03-12 How did a big-game fishing trip rudely interrupted by sharks inspire one of the key scenes in Hemingway's The Old Man and the Sea? How did Robert Louis Stevenson's cruise to the cannibal-infested South Sea islands prove instrumental in his writing of The Beach of Falesa and The Ebb Tide? How did Masefield survive Cape Horn and a near-nervous breakdown to write Sea Fever? The waters of this world have swirled through storytelling ever since

the Celts spun the tale of Beowulf and Homer narrated The Odyssey. This enthralling book takes us on a tour of the most dangerous, exciting and often eccentric escapades of literature's sailing stars, and how these true stories inspired and informed their best-loved works. Arthur Ransome, Erskine Childers, Jack London and many others are featured as we find out how extraordinary fact fed into unforgettable fiction.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an

animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

*The Sea Devil* Sam Jefferson 2017-09-21 In 1916, a three-masted windjammer bearing Norwegian colours sailed out of a quiet anchorage in Germany, loaded with cargo and apparently bound for Australia. Her true mission was quite different. The ship was, in fact, the SMS Seeadler, commanded by swashbuckling German aristocrat Felix von Luckner. Over an epic voyage, he used cunning and deception to destroy fourteen merchant ships, all the while evading

the utterly foxed and infuriated British Admiralty in a daring game of cat and mouse. This rip-roaring World War I story depicts a life of espionage, counterespionage and piracy of the most gentlemanly kind.

The Box of Delights John

Masefield 2013-11-13

Strange things begin to happen the minute young Kay Harker boards the train to go home for Christmas and finds himself under observation by two very shifty-looking characters. Arriving at his destination, the boy is immediately accosted by a bright-eyed old man with a mysterious message: "The wolves are running." Soon danger is everywhere, as a gang of criminals headed by the notorious wizard Abner Brown and his witch wife Sylvia Daisy Pouncer gets to work. What does Abner Brown want? The

magic box that the old man has entrusted to Kay, which allows him to travel freely not only in space but in time, too. The gang will stop at nothing to carry out their plan, even kidnapping Kay's friend, the tough little Maria Jones, and threatening to cancel Christmas celebrations altogether. But with the help of his allies, including an intrepid mouse, a squadron of Roman soldiers, the legendary Herne the Hunter, and the inventor of the Box of Delights himself, Kay just may be able rescue his friend, foil Abner Brown's plot, and save Christmas, too. At once a thriller, a romp, and a spellbinding fantasy, *The Box of Delights* is a great English children's book and a perfect Christmas treat.

Angela Meyer 2012-05-04

A love story, a modern escape fantasy and a funny, sharp, observant page-turner of a read. How is it that someone who gets seasick and loves her two showers a day attempted to sail across the Pacific in a small yacht with her new husband and baby? It can be summed up in two words. Love. Adventure. Yep, there is the love of adventure, which is pretty self explanatory. And then there is love with a capital L, which needs a little more explaining. In Mrs Blacksmith's (aka Angela Meyer) words: 'I should have known that a life on the high seas was on the cards when our wedding cake featured a cut out of a sailing ship. The old sea dog had spent 6 years circumnavigating the wild waters of NZ. Four years ago while sitting

quietly at a bar minding his own business he was introduced to me, and like a mermaid, with my amazing singing voice (and probably my rack and witticisms) I lured him onto the land.' For a woman who ran a dance troupe called the Real Hot Bitches and a dating site called The Man Bank, the move to wife, mother and globe-trotting sailor has been a giant step! This is a love story, a modern escape fantasy and a funny, sharp, observant page-turner of a read. A popular blog turned memoir/adventure story - wonderful humour.

### Gordon Bennett and the First Yacht Race Across the Atlantic Sam

Jefferson 2016-02-25 The 1866 transatlantic yacht race was a match that saw three yachts battle their way across the Atlantic in the dead of winter in pursuit of a \$90,000 prize. Six men died in the brutal and close-fought contest, and the event changed the perception of yachting from a slightly effete gentlemen's pursuit into something altogether more rugged and adventurous. The race also symbolized the beginning of America's

'gilded age', with its associated obscene wealth and largesse (the \$90,000 prize put up by the three contestants is about \$15 million in today's money), as well as the thawing of relations between the US and UK. The narrative focuses on the victorious yacht Henrietta and her owner James Gordon Bennett. Bennett was the son of the multimillionaire proprietor of the New York Herald, and a notorious playboy. His infamous stunts included driving his carriage through the streets of New York naked, tipping a railway porter \$30,000, and turning up at his own engagement party blind drunk and mistaking the fire for a urinal, which led to the coining of the phrase 'Gordon Bennett!'. However, Bennett was also a serious yachtsman and had served with

distinction during the civil war aboard Henrietta, and he was the only owner to be aboard his own boat during the race. Other characters include Bennett's captain Samuel Samuels (legendary clipper skipper, ex-convict and occasional vaudeville actor), financier Leonard Jerome, aboard Henrietta as race invigilator (he also happened to be grandfather to Winston Churchill) and Stephen Fisk, a journalist so desperate to cover the race that he evaded a summons to appear as a witness in court and instead smuggled himself aboard Henrietta in a crate of champagne. Using the framework of the race to discuss the various historical themes, there's ample drama, and the diverse and eccentric range of characters ensure that this is a book laced

with plenty of human interest, scandal and adventure.

**Sea-fever** John Masefield 2005 John Masefield (1878-1967) is one of the great storytellers of English poetry, a spinner of yarns and ballads of tall ships and exotic seas, of the deep-rooted life of the rural England in which he grew up, and of the great narratives of Troy and Arthurian legend. Some included here-- 'Sea-fever' and 'Cargoes'--are among the best-loved poems in English; others are

little known; a few are hitherto uncollected rarities. All share Masefield's love of the lives of seafarers and those who work the land, and his ability to draw the reader into their stories.

Perfect Storm, before In the Heart of the Sea, Steven Callahan's dramatic tale of survival at sea was on the New York Times bestseller list for more than thirty-six weeks.

In some ways the model for the new wave of adventure books, *Adrift* is an undeniable seafaring classic, a riveting firsthand account by the only man known to have survived more than a month alone at sea, fighting for his life in an inflatable

raft after his small sloop capsized only six days out. “Utterly

absorbing” (Newsweek), Adrift is a must-have for any adventure library.
