**How To Write & Release Your First Song**

Chris Greenwood 2021-06-26 Learn songwriting secrets from independent Billboard charting artist "Manafest" with over 700,000 monthly listeners on Spotify. Chris Greenwood is the man behind Manafest: the globally successful rock and

rap musician who's sold millions of singles and albums world-wide. Songs move people. They create visuals in our minds and stoke fires in our hearts. They lift us up, take us down, and allow our minds to soar. With over 20 years experience in the industry, both as a signed artist and an independent musician, Chris shares his incredible experience as a song writer and hit-maker on the pages of this book. The modern music industry has undergone a revolution in recent years. The traditional gate-keepers have ebbed away, and now more than ever new artists can find audiences without the backing of a music label. But it's hard going it alone, and even harder to know what it takes to achieve the level of success that will sustain you both artistically and financially for years to come. Chris has lived and learned through this remarkable time, forging his own path away from a record label, racking up hit after hit and continuing to reach new fans every day. Practical, honest, and generous: this book is the ultimate guide to writing, recording, releasing and marketing your first song to a global stage. You have the power to write your own destiny with your songs and lyrics. Now is the time for you to take the first step. Write the message that only you can write, and cause revolutions and revelations in the hearts of your listeners.

**IT'S ALL IN YOUR HEAD** Russ 2019-11-12 Instant National Bestseller! Wall Street Journal bestseller; USA Today bestseller; Publishers Weekly bestseller; international bestseller. An inspirational book by self-made musical superstar, Russ, reminding you that it starts with YOU, to believe in yourself, and to get out of your own way. Twenty-seven-year-old rapper, songwriter, and producer Russ walks his own path, at his own pace. By doing so, he proved that he didn't need a major label to surpass over a billion streams on Spotify/Apple Music, get on Forbes' 2019 "30 Under 30," make the Forbes' "30 Under 30 Cash Kings" at number 20 for most earned, sell out arenas across the U.S. and around the globe, and become one of the most popular and engaged rappers right now. His method was simple: love and believe in yourself absolutely and work hard no matter what. In this memoir, Russ inspires readers to walk to their individual rhythms and beat their biggest obstacles: themselves. With chapters named

after his most powerful and popular songs, IT'S ALL IN YOUR HEAD will reflect on the lessons he's learned from his career, family, and relationships. He'll push readers to bet on themselves, take those leaps of faith, and recognize struggles as opportunities. With illustrations throughout consistent with the brand Russ has built and his fan base loves, IT'S ALL IN YOUR HEAD will give readers an inside-look at the man and the motivation behind the music. A lover of books like *The Alchemist* and *The Seven Spiritual Laws of Success*, Russ delivers a short, potent, inspirational, raw, and honest book that gives readers a way to find self-belief and unlock their potential. Fans already rely on Russ as an inspiration of confidence; now, he is taking it to the next level with this book, which will contain lyrics from his music and visuals that reflect his inimitable style.

Through the Eye of the Tiger Jim Peterik

2014-09-23 "Hey, yo, Jim . . . This is Sylvester Stallone. Give me a call . . ." It was these words

that would set Jim Peterik on the road to rock 'n' roll immortality. After he and his Survivor bandmates recorded "Eye of the Tiger" for the Rocky III soundtrack, the song would go on to earn a Grammy, an Oscar nomination, reach triple platinum status—and become one of the most recognizable tunes in music history. But there's much more to the story of Survivor and its founding member, Jim Peterik, than meets the eye. As one of the most prolific songwriters of his generation, Peterik has cowritten songs with some of the most famous bands and artists of our time, including 38 Special ("Caught Up in You," "Hold on Loosely"), Sammy Hagar ("Heavy Metal"), The Beach Boys, The Doobie Brothers, REO Speedwagon, Cheap Trick, and many more. Now, for the first time, Peterik is sharing his stories. Filled with tales from Peterik's life in rock 'n' roll, *Through the Eye of the Tiger* documents his early days of success with The Ides of March ("Vehicle"), through the often torturous power struggles within Survivor, and the giddy highs that accompany a trail of worldwide hits. From going to a party in Led Zeppelin's hotel room (and turning right back out the door) to escorting a disoriented Janis Joplin back to her hotel room after opening her show in Calgary, Peterik's accounts will surprise and delight. *Through the Eye of the Tiger* is more than just a memoir of a songwriting legend; it's a classic rock 'n' roll story told through the eyes of someone who has lived through it all—and through the *Eye of the Tiger*. *How to Write a Song (Even If You've Never Written One Before and You Think You Suck)* Ed Bell 2020-09-11 Once upon a time, there wasn't a song. Then, sometime later, there was. "How the \$&%! did that happen?" you might ask. *How to Write a Song (Even If You've Never Written One Before and You Think You Suck)* is the definitive, no-nonsense and 100% beginner-proof guide to writing original songs. Whether you're a complete beginner or a more experienced songwriter looking to improve your songwriting process, *How to Write a Song...* walks you through a powerful, stimulating but simple process you can use to create great songs, time after time. It's not a formula. It's not a songwriting 'method'. You'll craft every single note and word of your song. You'll write in any style you like. Meanwhile, you'll learn not just what to do but why you're doing it - so you can use those skills

in every other song you create. You'll be guided step-by-step through how to find a great song idea, how to choose an effective title, how to craft a solid lyric, how to write catchy melodies and grooves, and how to combine all of those parts effectively into a complete song. And best of all, literally all you need get started is some basic experience on piano or guitar, or with a Digital Audio Workstation like Logic, Ableton or GarageBand. Everything else is inside.

Late, Late at Night Rick Springfield 2010-10-12 Features four bonus videos! Watch Rick discuss the events that have shaped his life; step inside his recording studio to hear him discuss his music, his acting career, coming to America, and his love of dogs; and watch Rick's "What's Victoria's Secret?" music video and his unplugged version of "I Get Excited." In a searingly candid memoir which he authored himself, Grammy Award-winning pop icon Rick Springfield pulls back the curtain on his image as a bright, shiny, happy performer to share the startling story of his rise and fall and rise in music, film, and television and his lifelong battle with depression. In the 1980s, singer-songwriter and actor Rick Springfield seemed to have it all: a

megahit single in "Jessie's Girl," sold-out concert tours, follow-up hits that sold more than 17 million albums and became the pop soundtrack for an entire generation, and 12 million daily viewers who avidly tuned in to General Hospital to swoon over his portrayal of the handsome Dr. Noah Drake. Yet lurking behind his success as a pop star and soap opera heartthrob and his unstoppable drive was a moody, somber, and dark soul, one filled with depression and insecurity. In *Late, Late at Night*, the memoir his millions of fans have been waiting for, Rick takes readers inside the highs and lows of his extraordinary life. By turns winningly funny and heartbreakingly sad, every page resonates with Rick's witty, wry, self-deprecating, brutally honest voice. On one level, he reveals the inside story of his ride to the top of the entertainment world. On a second, deeper level, he recounts with unsparing candor the forces that have driven his life, including his longtime battle with depression and thoughts of suicide, the shattering death of his father, and his decision to drop out at the absolute peak of fame. Having finally found a more stable equilibrium, Rick's story is ultimately a positive one, deeply informed by his passion for creative expression through his music, a deep love of his wife of twenty-six years and their two sons, and his life-long quest for spiritual peace.

Music Composition For Dummies Scott Jarrett 2020-12-29 You can hum it, but can you write it down? When most people think of a composer, they picture a bewigged genius like Mozart or Beethoven frenetically directing mighty orchestras in the ornate palaces of Vienna. While that may have been the case once upon a time, modern composers make themselves heard far beyond the classical conservatoire and concert hall. These days, soundtracks are in high demand in industries such as TV, film, advertising, and even gaming to help create immersive and exciting experiences. Whatever your musical ambitions—composing a dark requiem in a beautiful Viennese apartment or producing the next great Star Wars-like movie theme in LA—the fully updated *Music Composition For Dummies*

hits all the right notes to help you become confident in the theory and practice of composition. To help you translate your musical ideas from fleeting tunes in your head to playable bars and notation on paper, professional composer and instructor Scott Jarrett and music journalist Holly Day take you on a friendly step-by-step journey through the process of musical creation, including choosing the right rhythms and tempos, creating melodies and chord progressions, and working with instruments and voices.
